We are sending 6 pages including this cover sheet. Please telephone (602) 916-5317 if all pages are not received.

SENDER'S REMARKS:

United States Patent Application No. 09/582,951

Title: ANTI-CRYPTOCOCCAL PEPTIDES

Inventors: Pettit, et al.

Filing Date: July 7, 2000

On March 20, 2003 we faxed to (703) 872-9306, to the attention of Examiner David Lukton, Art Unit 1653, a Supplemental Amendment in Response to Office Action for the above-referenced application. Although our firm's fax machine indicated that the fax was successfully sent, we did not receive a facsimile confirmation of receipt from the Patent Office.

Upon the advice of the Patent Office during a telephone conversation of March 25, 2003, attached is a copy of the original Supplemental Amendment that was faxed on March 20, 2003.
